#### COMBINED GENERAL EDUCATION AND LIBERAL ARTS BREADTH REQUIREMENTS:

- 1. Two courses in the humanistic tradition (Humn 220 and 221) H/.
- 2. Two courses in the fine arts with titles marked with the prefix F/. One of these may be a studio course.
- 3. Two courses in the social sciences with titles marked with the prefix S/.
- 4. Two courses in the natural sciences with titles marked with the prefix N/.
- 5. One course in critical reading and writing (Intd 105); this course must be taken during the freshman year.

## Restrictions in Fine Arts, Social Science, and Natural Science

- 1. The following restrictions apply only to the Fine Arts, Social Science, and Natural Science areas of the General Education curriculum:
- 2. Students may not apply courses taken in their major departments toward these areas of the General Education curriculum. Double majors are prohibited only from applying courses in their first major of record.
- 3. In each of these areas, students must apply two courses with different departmental prefixes (For example: SOCL and ANTH for Social Science.) Transfer students who, upon original matriculation at the College, have completed an associate's degree or have 53 or more semester hours accepted as transfer credit are exempt from this limitation if they have previously completed successfully two core-eligible courses with the same departmental prefix. In addition, students who apply three semesters of ensemble or practicum toward the Fine Arts requirement may complete the requirement using a theory or history course with the same departmental prefix. (For example: MUSC 123 and three semesters of MUSC 165.)
- 4. Students may not apply a particular course to more than one of these areas.
- 5. Students may not apply more than two courses with the same departmental prefix toward the three areas collectively.

#### OTHER GRADUATION REQUIREMENTS:

- 1. One course emphasizing non-Western cultures (marked with the prefix M/Multicultural). The requirement may be fulfilled by a course marked M/ and **may overlap\*** with major or general education courses. An approved college-credit bearing study abroad experience in a non-western country may satisfy this requirement.
- 2. One course in numeric/symbolic reasoning (marked with the prefix R/Reasoning). The requirement may be fulfilled by a course marked R/ and **may overlap\*** with major or general education courses.
- 3. Foreign language competency through the 201 level (for students beginning college-level study in Fall 2003). This requirement may be satisfied by 4 units of a high school foreign language, including at least 85 on the Regents Examination. Students may also take the college placement exam in foreign language to attempt to place out of the requirement or to determine which class they should enroll in here.
- 4. One semester of US History. Course options to fill this requirement depend on the student's score on the high school Regents examination in US History. Students scoring 85 or above on that test may choose from a menu of courses. Students scoring below 85 must take a narrative course; Hist 150 or 151 will satisfy the narrative requirement.

\*Note this important difference from general education course requirements.

#### DEPARTMENTAL NOTES: COMMUNICATIVE DISORDERS (Non-Cert)

- 1. For minimum competency requirements, please see the Undergraduate Bulletin.
- 2. Majors have their speech, hearing, and proficiency in language evaluated. Students determined to need remediation will be required to seek assistance at the College Speech and Hearing Clinic.
- 3. At least **60 credit hours** not bearing the prefix CDSC must be completed.
- 4. Majors must fulfill the department writing requirement see College Bulletin.
- 5. To avoid later registration difficulties, students are encouraged to take Humn 220 and 221 during the sophomore year.

Curriculum Guide Sheets are updated after publication of the College Undergraduate Bulletin to reflect mid-publication curricular changes. If you notice any inexplicable variation, please contact the Office of the Dean of the College immediately (Erwin 106, Ext. 5541).
