DEPARTMENTAL NOTES: PSYCHOLOGY

- 1. Minimum Competency: ALL COURSES COUNTED FOR THE PSYCHOLOGY MAJOR MUST RECEIVE A GRADE OF C- or better. If a D or E is earned in Psyc 250, Psyc 251, or Psyc 352, majors may repeat each course **one time** to achieve the required minimum grade.
- 2. Students should take Psyc 100, 250, and 251 in the first or second year. Note that:
 - a. Psyc 100 is a prerequisite for all other Psychology courses.
 - b. Psyc 250 and 251 are prerequisites for most 300-level Psyc courses.
 - c. Psyc 250 and 251 must be completed with a minimum C- grade before taking 300-level Psychology courses.
- 3. The College requires a 1.67 average in the related requirements for all majors. Psychology requires a Human Biology lecture with lab. The average across the lecture and lab must be a minimum of 1.67.
- 4. Students must complete Psyc 352 at Geneseo. Only one course can be transferred to meet Content Area requirements. Only one course can be transferred from a two-year community college as a 300-level course to meet the major requirements.
- 5. No more than 3 credit hours from Psyc 294, 299, 391, 395, 396, 397, or 399 may be used to satisfy elective requirements of the major.
- 6. The department writing policy is fulfilled by successful completion (C- or better) in Psyc 352.
- 7. A maximum of 51 hours in psychology may be included within the 120 hours required for the degree. At least 69 hours must be completed outside of the Psychology department.
- 8. Any student who renders psychological services or implies to the public that he or she is licensed to practice as a psychologist is acting in contravention of the laws of the State of New York, Education Law, Article 153, Sections 7601-7614.
- 9. Optional Teaching Certification: Childhood/Adolescence teacher certification requires enrollment in appropriate programs in the School of Education.

Suggested courses for students with specific interests or career plans are listed below. These lists are not intended to imply that the Psychology Department offers specialty training in specific "tracks" or "concentrations." Instead, these suggestions should be considered advisory only.
